

Partner Pay

Fast-track your payments and improve your cash flow with Partner Pay from Optimise.

With Partner Pay you have more control over when you can withdraw your earnings. Unlike other networks, our **Faster** and **Express Pay** options are available to all eligible partners earning more than \$100 USD per month.

Plus, our flexible payments system allows you to:

- ✓ Get paid in any currency of your choice
- ✓ Receive payments into your local or international bank account or digital wallet
- ✓ Combine your commissions across all currencies to calculate the minimum threshold for withdrawal

	Standard Pay	Faster Pay	Express Pay
	Schedule your campaigns confidently by knowing when your payments are due.	Improve cash flow by requesting your commission once the advertiser has validated your sales.	Get paid before the advertiser has validated your sales and take control of your campaigns.
Timing	Receive your payments on activity an advertiser has paid every 2 weeks	Improve cash flow by requesting your commission once the advertiser has validated your sales.	Request withdrawals of your earnings up to 8 weeks earlier than Standard Pay
